# WHAT IS SENSE?

Introducing our new **kitchen Sense**™ "Sense by Garant" from the Garant furniture factory - the perfect choice for modern and practical owners!

Because of the pull-out table, built-in sink, hooks and drying rack for dishes - it will become the central element of your kitchen interior and make everyday life easier.

# WHERE?

**SMALL APARTMENT**

**RENTED HOUSING**

**HOSTELS**

**COUNTRY HOUSES**

**OFFICE**

**OPEN-SPACE**

**HOTELS**

**CHUMMERY**

# Characteristics

1. Full kitchen, length 1.6 m
2. An outdoor table that can be converted into a regular cabinet if necessary
3. A place for a microwave that easily converts into a place for an oven
4. Mobile lighting, which is easily mounted on hinges and runs on batteries
5. Complete set is with a tray for cutlery, a drying rack for dishes and a tube with hooks for kitchen utensils
6. Designed for a built-in sink and a built-in/hob (if necessary)

**SENSE  
IN DETAIL**

# EXTENDABLE TABLE

Make the most of your kitchen space.

The table has a standard height and a comfortable length for use

Table height 750MM  
Table length 1040MM  
Table width 530 MM

# STORAGE CABINET

The shelf is mobile and has 3 levels of installation.

In this version there is a place for a microwave and other kitchen appliances or for various trinkets and decor elements.

If you need to install an oven - just take out the shelf - and voila)  
Now you have a stylish storage cabinet with a built-in oven at a very comfortable height..

A pleasant bonus will be a pull-out table that will serve as a place for preparing your goodies

# HANGING CABINET

- It has a mechanical backlight that turns on when the door opens. It does not require direct power, but runs on batteries..
- Lighting elements are attached to hinges, which makes it easy to move them, change batteries, etc.
- The set includes a drying rack for storing your dishes

# SHELF WITH PIPE AND HOOKS

Stylish shelf for decoration, storage of spices, cups and other beautiful things

Add convenience to your kitchen interior with trinket hooks

# A LOWER CABINET WITH A MOBILE SHELF

If necessary, the design of the module allows you to install both a sink and a hob.

The drawer is equipped with a tray for cutlery

Mobile shelf is universal. Therefore, you can place it both in the left and in the right section, depending on your needs and at a level convenient for you.
